# Welcome to Rekindle A-R!

Over Easter we are inviting young people aged 11-17 to our 3/4 acre rewilded, permaculture, forest garden to have a space to hang out and learn some wild earth crafts & outdoor skills as a clan!

Our youth team are highly skilled craftspeople, travellers, teachers, performing artists, and are experienced with supporting many different young people's needs.

Everything on offer is adapted depending on specific needs and preferences.

Fire Lighting

Axe Skills & Firewood prep

Whittling

Shelter finding & building

Trapping (theory)

Wild Meat preparation

Outdoor cooking

Foraging & Herb-lore

Our site is large, and includes both indoor and outdoor space, so there is always a warm & quiet space to go if anyone feels the need.

If you want to ask anything else about how we run our holiday club, or feel your child may need specific provisions made such as additional staffing or equipment, please don't hesitate to get in touch with us at [RekindleYouth@therewildproject.com](mailto:RekindleYouth@therewildproject.com) and we will work with you to ensure your child's needs are provided for.

Come and learn some cool (or is that sick?) outdoor / earth skills with us this Easter - meet the team....

I'm Scott, I've lived in the wilds of Canada & travelled the world. I turn road kill into meat, leather and fur

I'm Yasmin - I'm a traveller, rainbow sister, musician, storyteller. I love being out in the wild and staying young!

I'm Emma, I live outdoors & love fire, trees, herbs, mushrooms and building in the woods! Come and learn with us!

# This is where you will be for the Rekindle A-R sessions:

The Front Gate

The Awning

The Allotment

The Campfire Circle

The Toilet

The Hideout

## Accessibility Information

- Disabled parking directly outside the gate.
- Compost toilet (is not wheelchair accessible)
- Quiet space/sensory area - we use a number of quiet spaces and have the caravan as a special place with lego in case of sensory overload.

The site is entirely step-free and most ground surfaces in outdoor areas are covered with anti-slip materials such as gravel or bark chips

If you'd like to let us know a little bit more about yourself so we can make sure all your needs are met on the day, you can fill out an 'All About Me' form by following the link below:
